Dear Claimant:

We received your claim for 1993 cable/satellite carrier royalties after August 1, 1994 and the envelope was dated only with a business meter. §252.4(c) of the Copyright Office regulations states "claims dates only with a business meter that are received after July 31 [August 1, this year] will not be accepted as having been timely filed."

However, §252.4(e) provides that "a claimant may nonetheless prove that a claim was properly mailed if it is was sent by certified mail return receipt and the claimant can provide the receipt." We would therefore appreciate it if you could furnish us with a receipt indicating your claim was properly mailed by October 3, 1994.

In the future, you can avoid any question of when your claim was mailed if you have it postmarked by the U.S. Postal Service during the month of July.

Sincerely yours,
